

Welcome to Our Society!

The International Society of Physical and Rehabilitation Medicine (ISPRM) serves as the global agency for Physical and Rehabilitation Medicine (PRM).

ISPRM aims to “continuously improve PRM practice and facilitate PRM input in international health organizations with the goal to contribute to optimal functioning and quality of life of people experiencing disability”.

Rehabilitation professionals from all countries who identify themselves with the [mission and goals of ISPRM](#) and want to be a part of this global effort, can join ISPRM either through their National PRM Society or as Individual Members.
